## INTRODUCING THE FAIRLINGTON BULLETIN

In response to the urgent need felt by Fairlingtonians for a "bulletin board" to serve the entire community, a small group in Village 3 (The Meadows) has put together this first issue of The Fairlington Bulletin. Its purpose is to provide a calendar of coming events, to acquaint residents with local organizations and services, and to be as useful as possible in promoting better communications throughout the entire community of Fairlington.

The Bulletin will appear on a regular basis on the first of each month. The Editor is Miss Linda Gouazé, 3430 S. Stafford St., 379-7255. Notices, announcements, classified ads, etc., should reach the Editor not later than the 22d of the month preceding publication.

Village 3 is providing funds to finance the printing of this first issue, and we invite the other villages to participate, with each taking its turn in rotation. Please contact the Editor in order to set up a schedule.

FAIRLINGTON FRIENDS OF THE ENVIRONMENT---salute the community for its wonderful response to the request that all newspapers put out for the recycling project on Saturday mornings be slipped into paper bags or tied securely. Now, though, another more serious problem has arisen: some residents are putting their papers out after the truck has passed. The result is that a few FRIENDS and their friends must gather these late ones up and somehow store them until the next Saturday. Please put all papers out (unless it is raining) by 9 AM, when the truck will begin picking up the stacks. The collection will be completed by 11:30 AM. Again, thanks in anticipation.
