**SPECIAL MEETING**

**WEDNESDAY, JUNE 30**

**FAIRLINGTON SCHOOL \* \* \* \* 8 PM**

THE REGULAR meeting of the Fairlington Association last Thursday was not able to reach and discuss the report of the special committee on landlord-tenant relationships. Consequently those in attendance voted to recess until Wednesday of this week to discuss this problem.

THE RECOMMENDATIONS of the special committee are ready. They cover the following subjects, among others:

- RENT POLICY
- RULES AND REGULATIONS
- PETS
- FLOWERS AND SHRUBS

- MAINTENANCE
- NORTH FAIRLINGTON SCHOOL SITE
- PLAY OPPORTUNITIES FOR CHILDREN

IF YOU have views on these and related subjects, the meeting Wednesday (at the school at 8 p.m.) will provide an opportunity to express them. If you have suggestions about what the Fairlington Association should do about these matters, this meeting is the occasion to present them for discussion. Our course of action will be determined by majority vote of those who attend this meeting.

THE REASON we did not reach this special committee report at the regular meeting was that we used up all the time until our announced closing hour in hearing and discussing two interesting and important reports. The first of these dealt with the summer recreation program being conducted in Fairlington by the Arlington County Recreation Department, with the help of a \$750 contribution from your Fairlington Association. (An outline of this report, as given by Chairman Frank Allston of our Recreation Committee, is on the back of this notice.)

THE SECOND report was given by C. E. Tuthill, member of the Arlington County School Board, on the status of the proposed North Fairlington school. This led to many questions and considerable floor discussion.
